

REMARKS

The applicants have amended claims 10 and 19 to remove the multiple dependent claim format. New claims 39-42 were added to recapture the material present in original claims 10 and 19.

The remaining claims are in the form as presented in the parent international application. The applicant notes that original claims 1-38 were not objected to in the Written Opinion of the International Searching Authority; as new claims 39-42 simply restate matter originally present in claims 10 and 19, applicant respectfully submits such claims fall within the scope of the original claims.

Applicant respectfully requests that the requested amendments be entered and that a timely Notice of Allowance be issued in this case.

Respectfully Submitted,
